**Each week you will open the Bible and explore the Scripture for the week. While you're there, take a look at the verses that surround your text for the week. As you read, you might want to make a list of observations. Try to put yourself in each of the character's shoes. Make a list of questions you may not have answers to. Ask God what He may be trying to teach you.**

**My Questions:**

June 3, 2018

- 1) Name some examples of times that you have prayed faithfully for something in particular. What was the outcome?
- 2) Describe the difference between relational prayer and transactional prayer? Which lines up with God's heart more, do you think? How so?
- 3) How does praying the Lord's Prayer look similar or different from how you might normally pray?

- 1) Will you change how you normally pray based on this study?
