**Each week you will open the Bible and explore the Scripture for the week. While you're there, take a look at the verses that surround your text for the week. As you read, you might want to make a list of observations. Try to put yourself in each of the character's shoes. Make a list of questions you may not have answers to. Ask God what He may be trying to teach you.**

**My Questions:**

January 21, 2018

1. How would you describe the way you arrived at this point in your spiritual journey? I wasn't really looking for it bumped into the opportunity? OR I have been searching for a long time for this opportunity?

2. Which perspective on the treasure made the most impact on you? The treasure is you, the treasure is the Gospel, the treasure is the church?

1. Have you experienced the kind of joy in giving described in the parable? If so, what do you need to continue to experience it? If not, what is a step you could take towards this?
