Summary: Jesus uses one of the widely used images for spiritual life to indicate the results of His death on the cross. He became thirsty so that we could be filled.

Each week you will open the Bible and explore the Scripture for the week. While you're there, take a look at the verses that surround your text for the week. As you read, you might want to make a list of observations. Try to put yourself in each of the character's shoes. Make a list of questions you may not have answers to. Ask God what He may be trying to teach you.

1. Why would Jesus worry about fulfilling the Scripture at this point in the crucifixion?
2. How is spiritual thirst like physical thirst?
3. Have you ever experienced a spiritual longing that was not fulfilled? If so how did it affect you?

1. What is your next step in light of this week's sermon?
