Summary: Jesus doesn't give up at the end of His earthly life, He hands over His life in order to offer us new life. We do not need one more chance we need one new life.

Each week you will open the Bible and explore the Scripture for the week. While you're there, take a look at the verses that surround your text for the week. As you read, you might want to make a list of observations. Try to put yourself in each of the character's shoes. Make a list of questions you may not have answers to. Ask God what He may be trying to teach you.

My Questions:

April 1, 2018

1. How does the cross give hope to someone in the darkest times of life?
2. How does the cross give hope to someone for whom God seems distant and removed?
3. How do the last words of Jesus indicate His power and His purpose?
4. What does it feel like to hand over your life to Jesus?

1. Share with someone this week the hope that the cross has given you.
